ALBOX: Francisco (Paco) Conchillo from the mayors office has advised us that the inspection will commence week beginning 17th November. We were advised that the inspectors from PROYME WILL be calling to each home and will be asking each homeowner to provide the necessary information. The town hall intends to run a publicity campaign to insure that the public is kept informed. At this point in time it is not clear how homeowners will be able to check the details recorded for their home. We will follow up on this. (Members: See your email accounts for a full transcript of our meeting with Sr. Conchillo).

04-12-08: If you are not resident in Albox during the inspection period, Sr Conchillo has agreed that you may print off the attached form, fill it in and return it to PROYME. Their contact details are on top of the form.
