## **Meeting with the Town Planner and a Solicitor**

29th January

Representatives of the Association met with a professional Town Planner and a Solicitor who are acting as advisors to the Association. The aim of this meeting was to take stock of where the Association is at this present time. To look at and agree what actions are now required by the Association, and at what, if any, involvement would be appropriate by the Town Planner and the Solicitor.

## **Radio Interview**

24th January

Bob Preston had an interview with Adrian Allen a radio presenter for Onda Cero International in Marbella, whos programme reaches the entire Costa del Sol and Costa Blanca. They apparently have a similar situation and people are having thoughts about creating a similar association. He pushed the main points about legality and infrastructure, and gave a brief resume of the Association, how it started etc. The AUAN web site and the BBC programme were also advertised.

## **AUAN to become legal entity**

24th January

A solicitor has been instructed to draw up legal documents forming the Association into a registered legal entity. Membership is growing. The Association committee meet on a weekly basis. General meetings are held monthly. A non-members enrolling meeting was held on 24 January.

## **Legal Clinic**

23rd January

A clinic was held on 23 January 2007. A solicitor gave legal advice to members of the Association, who were grouped on a developer by developer basis. this was provided free of any charge to the Association or members. Members now have a clear picture of their situation in legal terms and what options may be available to them. This clinic was part of the Association's policy of advising and supprting its members as much as possible..
