

# Latest Corruption Scandal - Estapona - 25 arrested

18th June 2008

The arrest of the mayor of Estapona dominates the Spanish press today. Antonio Barrientos, 5 council members and several businessmen were among 25 people detained on charges of mis-use of public funds, bribery, influence pedaling and money laundering.

The mayor was expelled from the PSOE party 2 hours after his arrest. Also under investigation are Patricia Rojo, the daughter of the president of the Senate and Francisco Zamorano, ex senator and local spokesperson for the PSOE.
